

## Band/General Music Days 17-21 (April 20-24)

Mr. Baker

I am providing you with several options to choose from for your assignments. Choose the one that best fits your situation. **Band students-** I would prefer that you choose the practice option as it is the one that will benefit you the most for when we get back together as a group again.

As you do your assignments, document that you have completed them. Send me the documentation at the end of the week through LiveGrades or to my email: [jsabaker@k12.wv.us](mailto:jsabaker@k12.wv.us)  
If you are unable to send me the documentation, keep it on paper and wait for further instructions on how to turn those in.

**\*Tip: If you use an email account other than LiveGrades you should be able to attach multiple files to an email. LiveGrades limits you to three attachments.**

*The packets/exercises, etc. are found at the following locations:*

*In This Packet!*

*On the School website!*

*I am LiveGrading them to you!*

The three options you have are:

Option 1- Practice your instrument. Log the date, time and what your practice for the week and submit to my LiveGrades or email: [jsabaker@k12.wv.us](mailto:jsabaker@k12.wv.us)

Practice any music that you have. Use the attached sheets or any information provided to you on the band website.

Option 2- Do the Activities listed on the Musical Ideas sheet in this packet.

Option 3- Do the paper option listed at the bottom of the Musical Ideas sheet in this packet.

Choir students who do band!!- If you are doing an activity for Mrs. Dennis you may count that activity for your band work. Document it and send it to both Mrs. Dennis and myself. If you are unable to send documentation, keep the paper copy and await further instruction.
