

Simple Picture Division: Worksheet 2

Indicate how many groups there are for each problem.

1. Group of 2

2. Group of 3

3. Group of 3

4. Group of 2

5. Group of 1

6. Group of 3

7. Group of 5

8. Group of 2

9. Group of 3

10. Group of 1

Name _____

Date _____

Simple Picture Division: Lesson

Basic Skills: Share the 4 scooters among 4 children.

Step 1:

Analyze the above pattern carefully.

Answer: Each Child gets 1 scooter.

Practice Problems

A.

Divide the bags into groups of 3?

B.

Divide them into groups of 5?

Name _____

Date _____

Simple Picture Division: Worksheet 1

Find the solution for each problem.

1. $12 \div 2 =$

2. $10 \div 5 =$

3. $12 \div 3 =$

4. $21 \div 3 =$

5. $15 \div 5 =$

6. $8 \div 2 =$

7. $3 \div 3 =$

8. $12 \div 4 =$

9. $6 \div 2 =$

10. $14 \div 2 =$

Sharing Visuals – Practice the Skill Twice

Name _____

Date _____

1	 Share the cars so that each person has equal number of cars.	   <input type="text"/> <input type="text"/> <input type="text"/>
2	 Share the dogs so that each person has one less than the next one.	   <input type="text"/> <input type="text"/> <input type="text"/>
3	 Share the fruits so that each person has equal number of fruits.	   <input type="text"/> <input type="text"/> <input type="text"/>
4	 Share the cubes so that each has one more than the next one.	   <input type="text"/> <input type="text"/> <input type="text"/>
5	 Share the cups so that each person has one more than the previous one.	   <input type="text"/> <input type="text"/> <input type="text"/>
6	 Share the triangles so that each person has the equal number of triangles.	   <input type="text"/> <input type="text"/> <input type="text"/>
7	 Share the smileys so that each person has 2 more than the next one.	   <input type="text"/> <input type="text"/> <input type="text"/>
8	 Share the arrows so that each person has equal number of arrows with them.	   <input type="text"/> <input type="text"/> <input type="text"/>
9	 Share the drops so that each person has equal number of drops.	   <input type="text"/> <input type="text"/> <input type="text"/>
10	 Share the ducks so that each person has one more than the next one.	   <input type="text"/> <input type="text"/> <input type="text"/>

Use the shapes provided to answer the questions.

Ex) How many groups of 6 can you make with the 18 shapes below?

1) How many groups of 9 can you make with the 36 shapes below?

2) How many groups of 8 can you make with the 16 shapes below?

3) How many groups of 3 can you make with the 33 shapes below?

4) How many groups of 7 can you make with the 14 shapes below?

5) How many groups of 8 can you make with the 24 shapes below?

6) How many groups of 7 can you make with the 35 shapes below?

7) How many groups of 7 can you make with the 14 shapes below?

8) How many groups of 4 can you make with the 32 shapes below?

9) How many groups of 2 can you make with the 36 shapes below?

10) How many groups of 8 can you make with the 40 shapes below?

11) How many groups of 8 can you make with the 24 shapes below?

Answers

Ex. 3

1. 4

2. 2

3. 11

4. 2

5. 3

6. 5

7. 2

8. 8

9. 18

10. 5

11. 3
