

Wagner SS 6 Snow Packet 6-10

Complete each day with the corresponding number, i.e. Day 1, complete activity #1. Use separate paper to work on this project.

1. Draw out a map of your neighborhood. It can be on construction paper, notebook paper, or copy paper.
2. Label and color your neighborhood map. Examples: House, road, yard, trees, creek (etc)
3. List non-living and living things you see in the neighborhood.
4. Write 5 sentences about your neighborhood.
5. Answer the following questions about your habitat/ecosystem:
 - What street, town, county, and state do you live in?
 - Do you have any special celebrations that you participate in as a neighborhood? If yes, what are they?
 - What is your favorite thing about your neighborhood?
